Sl. No.	NAME OF THE COMPANY/VENDOR	PARTICULARS	SUPPLIER REMARKS	KAPL/DCPL COMMENTS/JUSTIFICATION
1	M/s Zhejiang Greatwall Mixers	Section IX Qualification criteria/ Page 63	We are tying up with a qualified Foreign Vessel manufacturer to supply the vessel and we would supply the Agitator/ Stirrer OUISELE. Bid will be submitted by us as authorised representative (contact: +91 99587 33277) of the qualified foreign vessel manufacturer. However, we are also a foreign company. Please clarify whether this will be permitted.	GST number is a mandatory requirement for any domestic tender. So the bidders are request you to provide the GST details along with PAN details along with the bid during submission for the bid to be accepted.
2	M/s Zhejiang Greatwall Mixers	TDS in Excel sheets- IMPPELLER	The specification specifies restrictions on Impeller design by mentioning the Impeller type, number of impeller and maximum tip speed. We, being a reputed Agitator manufacture since last 30 years, would like to offer our own more efficient design and seek deviation to decide these parameters based on our own design. We have recently supplied Agitators/Stirrers to Aurobindo Pharma (Lyfius Pharma Pvt Ltd) for their expansion under the PI scheme, for manufacture of Penicillin G, including the agitators for their 325 cu.m. Capacity Fermentation tank. Please confirm permission to deviate from the technical specification on these design aspects	The bidder is required to quote as per the tender requirements. As the tender is for Harvest tanks, Media mixing Vessels & Permeate tanks the high tip speed as specified by the bidder is not required. So the bidder is required to submit bids strictly as per the tender documents.
3	M/s Zhejiang Greatwall Mixers	Section VIII/ Technical specification/ Point 7/ Page 55 and TDS	We have received RFQ for supply of agitators from some of the prospective bidders. But we would like to have flexibility in sourcing some bought out ites as below: Gear Box: For Gear Box only limited name of suppliers is given here- Bonfiglioli/Radicon/ Elicon IN Section VIII. But IN TDS in excel sheet option of make is given to the bidder. We are ourself manufacturing Gear Box since over 25 years and would like to use our own make Gear Box for the Agitators/ Stirrers. Alternatively we MIGHT like to source it from our regular suppliers. May please clarify and confirm acceptance as above.	The bidder has to specify the makes of gear box along with the necessary technical specifications. The details provided will be reviewed and the decision of acceptance will be taken by the technical committee and the project consultant
4	M/s Zhejiang Greatwall Mixers	Section VIII/ Technical specification/ Point 7/ Page 55 and TDS	Motors: Here motors are specified to be of ABB/ Crompton Greaves/ Siemens. At another point in the technical specification (TDS) Motor make is indicated as Crompton/ Bharat Bijlee/ Equivalent. We would like to source motors from our regular suppliers. May please clarify and confirm as above.	The bidder has to specify the makes of motors along with the necessary technical specifications. The details provided will be reviewed and the decision of acceptance will be taken by the technical committee and the project consultant
5	M/s Graft Systems	No queries were raised by the bidder
